Dodd

Discretionary spending, on the other hand, requires annual approval by Congress; it

includes all defense spending and many public services, such as environmental protection, scientific research, education grants and foreign aid. If an accounting restatement is made then the company must recover any compensation paid to current or former executives associated with the company the three years prior to the restatement. Apr 02 00140 Rejected On the Amendment S.

Highway Trust Fund

Today they produce twice as many cars per employee at three times the quality.

U.S. Senate: Roll Call Votes 111th Congress

In 1968, legislation was approved raising the capital gains tax from 25 percent to 49 percent.

The World from The Hill: U.N. funding an early target for House Republicans

These provisions require the SEC to make national set standards for the compensation committees of publicly traded companies listed on these exchanges. Definitely — required capital ratios should be a lot higher than they are.
