## The Charles Dickens Letters Project

The largest collection, comprising about 200 letters, is in the in. It is published by Artifex Kiado Kft. The notes, drawing heavily on the large bulk of surviving correspondence written by others to Clare, address themselves to the intimate life carried on behind the letters.

## Sylvia, or, The May queen : a lyrical drama /

Following this clue, I found the marriage of Samuel Drury to Elizabeth Jime in Newark on 12 Jun 1717 and the birth of Thomas on 20th October 1729 and William on 10th April 1731. However, before he could finish his tour, Keats became ill. June, George and Georgiana sail for America.

Here, readers will see a man in step with daily existence who reasoned his way through but also exalted in life's infinite variety and challenges. It is interesting to see the migration back and forward between Derby, Nottinghamshire and Lincoln. Paul's, Highgate, and Repton schools, and in 1878 and 1879 was select preacher in the university of Cambridge.

## Typescript Letters from John Morgan to Church leaders, 1878

In this context they seem to breathe again, to take on new life and interest.
