**Legal custody Given to children and adolescents as prevention of family violence and its aftermath in the formation of the individual**

Katz Publisher: Kaplan Press A coworker recently shared a quote from this book and it is now on my reading list. My husband has supported me through emotionally trying times as well, losing my parents, my brother and the revelation that I was adopted.

**This Is What Happens To A Child's Brain When Physical Discipline Is Used**

We were left to our own devices to entertain ourselves.

**Latin American Herald Tribune**

In: Mash EJ, Barkley, RA, eds. Numerous studies have found increased risk of impaired from the use of corporal punishment. Under Article 27 of the Convention, this obligation vis-à-vis the rights of children cannot be suspended even at times of war, public danger, or any other emergency threatening the independence or security of a state party.

**Associations between child disciplinary practices and bullying behavior in adolescents**

All complaints must lead to independent investigations, particularly when violence, torture, cruel, inhuman, and degrading treatment, or corporal punishment are involved, and when they result in the injury or death of detained adolescents.

**Associations between child disciplinary practices and bullying behavior in adolescents**

Severe physical punishment: risk of mental health problems for poor urban children in Brazil. Pfeiffer L, Rosário NA, Cat MNL.

**Brazil Government Wants to Ban Corporal Punishment of Kids**

Talking to our directors and then to parents about concerns we have can be difficult but seeing a child get the services they need is very rewarding. For example, because of the cross-sectional design, causal relationships between correlates and outcomes could not be determined.

### **Brazil Government Wants to Ban Corporal Punishment of Kids**

Adolescent physical abuse: risk for adolescent psychiatric disorders.
