## Response to parliamentary committees and external audits

Cavoukian, the information and privacy commissioner of Ontario, after listening to the content of the data collected through this means, including the times of the communications, the length of the communications, the platform used, the addresses, the email addresses, the IP addresses and the locations, she said, and I want you to comment on her affirmation: Government surveillance programs, however, gather and analyze our metadata for different purposes.

## DTCA Cometh

Employment and Social Development Canada ESDC was 1 of 7 organizations included in the audit. If you look across North Africa, if you look at what's happening in Yemen, in Libya, in Syria, in Lebanon — the conflict in Syria is bleeding in Lebanon — Afghanistan, Pakistan, it is all al Qaeda-inspired ideology that is driving that terrorism, and that's what we've tried to communicate through our most recent public report.

## Canadian House of Commons Standing Committee on National Defence

It's used by computers to route or manage communications over global networks.

## Home

They have expressed support for democratically minded opposition groups. My colleagues from CSIS and CSEC will undoubtedly provide you with their views on the current threat environment, but let me take a moment to share my perspective.
