## Navajo Symbols

For example, in the summer when farming is far more important, large expanses of land is needed, so summer hogans are usually erected near lowlands.

## Navaho Religion: A Study of Symbolism

There are two guards placed before the door when a ceremonial lodge is symbolized in sand, and two guardians at the east of many sand paintings.

## Symbolism In The Teachings Of Diné People

Most directly, they involve interactions between composers, performers and audiences. Some of its many traditions relate the emergence of the first people from various worlds beneath the surface of the earth; other stories explain the origins and purposes of numerous rites and ceremonies.

## Navajo

One of the best example is when He spoke to Moses.

## Navajo Symbols And Meanings

Big Mountain: This symbol represents having great abundance. After the sand painting is done, the patient sits in its center and the singer applies medicines to various parts of the Holy People depicted in the painting.
