Research Methods for Community Change: A Project

Benefits, Challenges, and Solutions All youth, including those with disabilities, can benefit from participation in service-learning.

An Introduction to Service

Students As Colleagues: Expanding the Circle of Service-Learning Leadership. This organization aims to improve the lives of young people in the areas of Developmental Assets®, Developmental Relationships, and Developmental Communities. Service learning is different from simply volunteering because service learning directly links a service project to the academic curriculum.

Service Learning Guide: Linking Social Service to Curriculum

Linking and Learning Linking and Learning is at the heart and soul of Voice.

Voices of the Unheard

Beyond the Campus: How Colleges and Universities Form Partnerships with their Communities.

Books on Community Engagement and Service Learning

CHWs are a credible voice for the lived experience of local needs and play a critical role in translating this information across cultural, social, and organizational boundaries.

Voices of the Unheard

Service-learning is beneficial for students, organizations, and communities. In addition, students have shown increased attachment to school, engagement, and motivation.

PDF Download The Unheard Voices Community Organizations And Service Learning Free

It is a grant that targets informal groups or organisations to raise awareness, develop transformative leadership, build confidence and skills, and work against stigmatisation of marginalised and discriminated groups. Download PDF, 4 pages for the full set of standards, which are based on research and expert opinion and include included the strongest elements of effective practice. We use Google Drive to store and share documentation of our work.
