[PDF] The philosophy of Yei selfhelp project by Timon, John. Download Book

Rosen reported that people do not gain as much from reading self-help material as people would from the same material received in therapy. Thousands of books have been written offering the 'secrets' to personal fulfillment and happiness: how to walk The Road Less Traveled, Win Friends and Influence People, or Awaken the Giant Within.

I also cut the number of pages down to 120.

Factsheet on Sanitation and Hygiene Practices in Yei Municipality

No more than a narrative of personhood pieced together from disparate neural activations, the self we believe ourselves to be in our own minds—although quite capable of being affirming, inspiring, and constructive—often spews forth a distressing flow of worry and second-guessing, blaming and shaming, regret and guilt. Please do not reply, as your message will go unread.
