### The Way We Were Quotes

Although France accepted his proposals, Germany refused.

### The way we were before COVID

They mobilised the navy and promised to protect the French coast from German aggression through the Channel. Laurents had known Streisand for some time, having cast her in his 1962 Broadway musical. It spent a total of 17 weeks charting before decreasing weekly until meeting its final position at number 57 for the week ending August 16, 1975.

### Way We Were

She is an political activist, he's bored by politics. When engineer Joe Bywater saw the faulty switch, he threw the engines into reverse, causing the engine to rear up in the front.

### The way we were before COVID

Here people would line up and sleep at night. As the women catch up on each others' lives, they learn things about each other and about themselves.
