American Botanical Prints of Two Centuries

They may have been collected by... The Gandhi Photos Collection contains 27 photographic images of and related to Mohandas Gandhi. Nation-building in heterogeneous, democratic South Africa is the backdrop for this large two-part exhibition held in the summer of 2000 in England.

Spring (Getty Museum)

There are, after all, South African artists doing non-political art. Du Bois, 31 x 12 x 14 inches. A set of 4-photo panels show forests that have intrigued me.

American botanical prints of two centuries : catalogue of an exhibition : 27 April

This essay by Koloane sketches out his conception of this uniquely South African story.

THE BOOK TROUT: E

A glossary is also available. South African businessman Brett Kebble was murdered in 2005, two years after establishing the Brett Kebble Art Awards BKAA, intended to showcase the best and brightest of South African artists. The peculiar social environment in South Africa itself defines art and the discourse about art; this becomes more apparent when one considers recent sculpture of South African artists.
