State Legislation: PCMH and Advanced Primary Care

Agency officials believe that radio ads were most effective because they could be tailored for specific audiences.

PCDC Advocates for Primary Care at New York State Budget Hearing

Their turnover rate is among the lowest in the nation: at the end of the four-year period between 1986 and 1990, 98 percent of incumbent state legislators remained in office-compared with 38 percent of the state's county executives. Specific language in the recent state legislation details how the facilitated enrollment process should operate.
