Very good or better in a near fine dustwrapper.

**This Is My God by Herman Wouk, Paperback**

But at one point, in the later days of his life, he sat down and wrote a book from his heart about his religion. . It is undoubtedly the simplest yet most comprehensive work on Judaism that it has been my pleasure to read.

**This Is My God**

Having read most of Wouk's fictional works about the Jewish experience, I was compelled to read his personal account of his faith.

**Matthew 3:17 And a voice from heaven said, is My beloved Son, in whom I am well**

Nevertheless, it was a very interesting and informative read. Judaism is a massive subject, and condensing the millennia of Jewish thought into a single volume is no small feat.

His discussion of women and lgbtq is also very dated, but very respectful for his time.

It is not simply a day off. Wouk did not forget the non-Jewish reader either, he wrote this book with simple concepts and language so anyone interested about Judaism can get a good basic introduction through these pages. This is an excellent book! Still, this was not an easy read for me, nor was it a fast read, but the further I got into it the less that mattered.

If you are looking to learn more about Judaism, I highly recommend grabbing this book and giving it a try. Head of spine has two tiny tears to cloth, each about 3mm long. Size: 8vo - over 7? Wouk is a thinker of the highest caliber and has a wonderful way of expressing his points.
