## The UN Convention on Contracts for the International Sale of Goods

The introductory section of the book addresses theoretical and practical issues of the appropriate interpretive methodology as mandated in CISG Article 7 and it is followed by individual analyses of the Convention's provisions. It may also apply by virtue of the parties' choice. The Review of the CISG is published once yearly and features articles written by prominent legal scholars in the field of

The current list of more than 90 Contracting States accounts for more than three-fourths of all world trade. In addition to scholarly writings analyzing the various articles of the CISG, the book seeks to compile translations of recent decisions as well as commentaries of notable cases relating to the CISG. These principles have been updated and the information revamped for the second edition, as well as additional information on fundamental breach of contract.

### **United Nations Convention on Contracts for the International Sale of Goods (Vienna, 1980) (CISG)**

Key provisions The CISG governs contracts for the international sales of goods between private businesses, excluding sales to consumers and sales of services, as well as sales of certain specified types of goods. A comparative analysis is given of how countries have accepted, interpreted, and applied the CISG. For orders in EUR and GBP, the charge for regular ground shipping will be capped at 35 EUR or 35 GBP.
