## Video of Philadelphia Residents Dancing in the Streets as Biden Takes Lead in Pennsylvania Goes Viral

## Video of Philadelphia Residents Dancing in the Streets as Biden Takes Lead in Pennsylvania Goes Viral

The news of Biden's success in the City of Brotherly Love has gone down well with voters there. ## MARTHA AND THE VANDELLAS

In this book, Barbara Ehrenreich traces the evolution and repression of collective celebration through history and in doing so, not only proves that we are happiest when doing joyful things together, but shows that despite the many ways society has repressed collective joy, it can't be kept down but keeps finding new ways. Working from this restrictive definition, the author takes the view that such occasions have vanished, and that we have lost an essential part of human culture in the process.
