## Priyavi se :: Svaṣṭara

Ask yourself why this tension might be present, and how often does it arise during your practice? The adept who has attained svātantrya is beyond the need for formal meditation — that is — for him to meditate or to act in everyday life is identical — he does all his actions from a state of perfect unity with Śiva from now on. His heart hṛdaya is the receptacle of all objects.

## Svarga Wisata Tour and Travel

What thoughts are filling your head? Growing from its traditional origins, Svastha now offers many programs in numerous locations internationally.

## Svarga Wisata Tour and Travel

Kami juga menyediakan paket-paket wisata menarik seperti Wisata Sepeda Borobudur, Wisata Andong Borobudur, Rafting Sungai Elo. Such an adept does not exert himself in maintaining this state of consciousness because it is his own nature.

## Svarga Wisata Tour and Travel

Svātantrya is described as an energy that emanates from the Supreme Paramaśiva , a wave of motion inside consciousness spanda that acts as the fundament of the world, or in another view, the original word , pārāvāk. Svātantrya from the sva meaning self and tantram meaning dependence — 'self-dependency', or " is the concept of divine sovereignty. In a meditation prescribed in , one is supposed to unite his vital energy with svātantrya in the mystical force center that exists 12 finger widths above the head, dvadaśānta.

## The Niyamas

Speech is seen in Kashmir Shaivism as differentiated in four classes : external vaikharī , mental madhyamā , subtle paśyanti and supreme parā.
