WINGS OF THE SUN

Este blog tiene la intención de analizar la vida judía en el Perú. It is quite clear that Rebbe Nachman saw illness in adults as a call for spiritual arousal on the part of the person who is ill, which is obviously not relevant when a baby or a very small child is sick, God forbid.

The Torah educational establishment fully understands the importance of teaching youth the basics of prayer, blessings, Shabbat observance, festivals and other regular mitzvot. Hard as it sometimes is, the rabbis and cantor practice vulnerability, sharing our stresses big and small with our leadership in order to teach them how to help and support us.

Creating Caring Communities Through Bikkur Holim

Especially where spiritual, mental and emotional factors are involved, it is vital to hear the suffering person out and to attend not only to what he says but also to what he leaves unsaid.
