**Israeli and American Jews tend to say being Jewish is primarily about ancestry or culture**

% of Jews in each country who say being Jewish, to them personally, is mainly a matter of ...

	Religion	Ancestry/ culture	Both religion and ancestry/ culture
Israeli Jews	22	55	23
Orthodox	60	10	30
Non-Orthodox	11	68	20
U.S. Jews	15	62	23
Orthodox	46	15	38
Non-Orthodox	11	68	21

Source: Survey conducted October 2014-May 2015. Data on U.S. Jews from survey conducted February-June 2013. Don't know/refused responses not shown.

In Israel, Orthodox Jews are defined as Haredi and Dati and non-Orthodox Jews are defined as Masorti and Hiloni.

## Biblical translation

These methodologies are applied to a broad range of clinical and public health concerns domestically and globally, including cancer, cardiovascular disease, environmental exposures, infectious diseases, and reproduction. For statistics related to modern Jewish demographics see. The laboratory experiments have astrophysical relevance.

## Biographies

This course utilizes the six-sigma methodology to reduce variation and defects in order to deliver products and services that meet customer requirements. Students create works in several different media, including 1 in print, 2 on the screen, and 3 for the network, while also learning how to edit the works deployed in each medium appropriately. Exercises focus on the nature and dating of the archaeological record, techniques for assessing and measuring skeletal material, heredity and evolutionary processes, comparative anatomy of primates, and criteria for recognizing and interpreting fossil australopithecines and Homo.

## Subject Matter

It provides a challenging, interdisciplinary space for both faculty and students to pursue theoretically sophisticated and historically grounded studies of culture and society.

## Translation

Atlas of Jewish history Routledge, 2013. In return for their services, court Jews gained social privileges, including up to noble status for themselves, and could live outside the Jewish ghettos.
