Grading of the memoranda will be on the bases of check marks.

Entrepreneurial Finance

Good advice... It is kind of a myth that you can walk into a bank with an idea and walk out with a pile of money to start your business.

Syllabus

We will also review the standard tools of valuation applied to start-up situations and introduce the venture capital method and the real options approach to valuation.

Entrepreneurial finance

This book is explained in such detail that the novice can understand it. The important point to note about bootstrapping is that it can be actualized only when the entrepreneur does not need significant amounts of capital as all the methods mentioned above relate to investments that are limited in their capital mobilization.
