## Plato Embodies the Athens as Part of the Atlantis Story

Baker was clearly planning for any eventuality.

### Atlantis

Unprepared crewmen all over the ship were knocked off balance by the suddenness of the maneuver, especially in the Observation Nose. This empire was called Atlantis, and it ruled over several other islands and parts of the continents of Africa and Europe. .

## Top 6 Theories About Atlantis

To this day, no one knows for sure what happened to them.

### Under the Sea

Rough and pitted, streaked by the stress marks of high velocity atmospheric entry, the Stone was yet almost spherical.

## Plato's Atlantis as Told in His Socratic Dialogues

As Crane settled back down under the covers, his last waking thought was of the woman. Refined, concentrated -- a source of almost unimaginable power. Aware of cold metal under his bare feet, Crane sat down again on his bunk, running a hand through his curly, dark hair.

## Where Is Atlantis? Is Atlantis Real?

. Suddenly, the multi-colored glow of the Stone erupted outward and the monitor went dead. What in the name of common sense had gotten into Lee? And that I have absolutely no basis for it? And now -- Atlantis right below Seaview's keel! Repeat, all hands, rig for shock wave.

## Plato Embodies the Athens as Part of the Atlantis Story

Yes, Chief, what is it? This Stone needs to be properly researched. Crane wheeled suddenly, finding himself staring intently into Nelson's quizzical eyes. He's always trying to figure out what could possibly go wrong with one of the Admiral's schemes.
