## Keb' Mo'

His touring band following the release included on bass, Les Falconer III on drums, on keyboards, and Clayton Gibb on guitar. But hearing the first very notes, this CD grabs you.

## The Blues . Blues Classroom . Lesson Plans . Finding the Blues

His fourth album, , was released in 2000. This is a one of a kind tribute album that delivers both the emotional punch and fervor of the originals. He and Jimmy—whose musical path had likewise taken him from blues to soul and back—recorded together on the 2001 CD Two Johnsons Are Better Than One.

## The Blues . Blues Classroom . Lesson Plans . Finding the Blues

Finding a welcoming atmosphere in Europe when touring with the 1965 American Folk Blues Festival, Boyd decided to stay and leave behind his battles with American racism and record business practices. With his strong traditionalist blues phrasing and lightning-fast slide techniques, few artists can match him. Opened on May 8, 2015, the Blues Hall of Fame Museum serves the community as a center for people to enjoy physical exhibits honoring the legends of Blues.

## BLUES HALL OF FAME

The character of Guitar Man is the foundation for his stage persona. That was part of the motivation behind the birth of Chicago Blues: A Living History. The first public recognition of his talent came in 1975 when he was denied the prize at a legendary harmonica contest staged and judged by Little Mack Simmons, who declared himself the winner.

I'm not sure how many copies of this set were made, but if you're reading this you better get one.

## Keb' Mo'

At age eight, John borrowed his first guitar and started to strum.

### **Blues Traveler Reflects On Their Red Rocks Reign Before Return**

Ask students, based on their understanding of the two music genres, what similarities exist between them. The songs are good and musicians are outstanding. Archival photos of rooms by design legends Billy Baldwin and Sister Parish typically elicit enthusiastic—and cross-generational—likes and pins, but it might have been the frenzied social media coverage surrounding the recent deaths of Bunny Mellon, Marella Agnelli, Gloria Vanderbilt, and Lee Radziwill that proved a watershed moment for some millennials.

### **Chicago Blues a Living History**

His post-modern blues style is influenced by many eras and genres, including folk, rock, jazz, pop and country. Rival Sons Since emerging out of Long Beach, California, in 2009, Rival Sons have become one of the frontrunners of the classic-rock-revival scene.
