## Reading strategies checklist for primary

The next 2 years are going to be full of incredible learning opportunities that will prepare you in becoming an exemplary educator!! Finally, historians evaluate primary documents. Take time to get to know a new class from the first day, understand what motivates them their barriers to learning. Is it logical and believable? To help combat this, make sure you and they are aware of the different types of to help them identify not just the they need to know, but the types of questions that are likely to require certain techniques.

## Keele Primary/Junior

It is important to note that guided reading is not round robin reading.

## How to Read a Primary Source

Description This is a teacher-led process that depends on transparency and discussion.

## Course Descriptions

Comments are usually linked to the learning focus but can also include an insightful moment or learning gap.
