Oyster Card London Transport Pass explained with fares for 2021

If you're just making a one-off journey on the tube then you might be better off paying with a totally different card, or buying a single ticket, because then it won't interfere with your weekly bus cap. Anne Thanks for clarifying this for me. I am just conscious that I may be charged more than the off-peak fare, which it should be running for this journey. On trains in the London area run by the national railways children between 5 and 15 need a child ticket.

London Underground fares, & maps 2021 plus best passes

We always recommend using a or a over a , because you benefit from something called a daily cap. Note: Sometimes the train station staff will open the gates to speed the flow of people through the station at rush hour, but you must STILL tap down. If you mean you had some pay-as-you-go credit on it, then yes, that will still be there.

London Oyster Card

They've changed the times now so you can travel after 9 AM instead of 9. This will be my first visit and I need some advice about the best way to get train tickets outside London, for instance, to Winchester and Cambridge. If you still don't understand there is an opportunity to discuss at the foot of the page.

London Oyster Card

Your journey starts when you go through the ticket barrier of the station entrance you depart from and finishes when you pass through the ticket barrier at the exit of your destination. Underground fares You can see from the table below there is big financial incentive not to purchase individual tickets and use an or.
