Sacred violence is not yet ancient history

This kind of religious violence is an extreme form of religious militance-it legitimates violence and sometimes sees violence as a sacred duty or obligation.

Sacred Circle: National Resource Center to End Violence Against Native Women

These are movements that pursue progressive social change and draw upon religion as a bulwark and source of legitimation. This collection of state of the art interpretations of the thought of René Girard follows on from the volume *Violence, Desire, and the Sacred: Girard's Mimetic Theory Across the Disciplines* 2012.

Civil War, after , white Southern elites established new boundaries and that had little to do with religious divides, since Christianity predominated among both white and Black Americans at that time. This book discusses violence and its connection with religion, sport and popular culture. The aim of this edited collection is to present this interdisciplinary work and to illustrate how Girard's insights provide fertile ground for bringing together disparate disciplines in a shared purpose.
