Then, because there was nothing else to do, he went back to the Bear Cave, and picked up his Bear Book, and settled down in the Bear Chair by the fire. Personalized Advertising These are third party technologies used for things like interest based Etsy ads.

## Can't You Sleep, Little Bear? by Martin Waddell

It is an excellent story to use expression when being told, making it an excellent book to engage the child whom it is being read to eg.

## Can't You Sleep, Little Bear? Book Review

The plot of the story is about a two bears, a big bear and a little bear that live in a I have come across this book whilst on my first placement in a Special School.

All the while each time something is introduced asking if there bear is asleep yet which they love! They are also shaped like windows so that the reader is almost looking into this new world where the bears live.

## Can't You Sleep, Little Bear? Book Review

This book allows children to use inference and see whether they believed the little bear was trying to sleep even with the light in his room as the images suggested otherwise.

## Can't You Sleep, Little Bear? Book Review

These drawings are soft, soothing and winsome. I found it a book that was good to relax the children and one to read them when they are not feeling very brave themselves.

## **Can't You Sleep, Little Bear? Book Review**

This is lovely book which enables children to get sucked into the story. But then Big Bear finds the perfect way to reassure Little Bear and help him fall fast asleep.
