### **Theodore Roosevelt Biography: 1898**

With the conquests of the Aztec and Inca empires, large numbers of Spaniards emigrated from the Iberian peninsula to seek their fortune or to pursue better economic conditions for themselves. Nevertheless, in spite of the critical voices that have denied Catalina any artistic skills, or other equally critical voices that condemn the introduction of novelistic elements to the text, the most recent research Beatriz Ferrús, Catalina de Erauso: ¿otra historia o historia otra? The leader of an expedition, she was a senior with material wealth and standing who could persuade the crown to issue him a license for an expedition. Even if a happy ending is expected in most cases, the truth is that very frequently characters are forced to accept endings such as death, insanity or reclusion in a convent: Willingly or unwillingly they renounce life and freedom.
