## U. S. GEOLOGICAL SURVEY BULLETINS #900

In addition, this rule does not have tribal implications as specified by Executive Order 13175 65 FR 67249, November 9, 2000 , because the OCS requirements are not approved to apply in Indian country located in the state, and EPA notes that it will not impose substantial direct costs on tribal governments or preempt tribal law. Public Information and Involvement The BLM 102 statement mentions several meetings held relating to the project 65.

## Shale

Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this action for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. ADDRESSES: Submit your comments, identified by Docket ID No.
