The 10 Greatest Stories From 1,001 Nights

Duban is a sage, or a wise healer, who works for King Yunan who has leprosy. Waiting behind Nabokov's admittedly long and wry sentences is the plainly moving story of a love affair pursued through the years. Nearly 10,000 victims perished there over a span of two decades.

Top 10 Classic Short Stories

But perhaps not everyone realises what a talented and prolific writer he truly was — particularly in the genre of the short story. From the very opening line included above, the reader is given the strong sense that the narrator is not to be entirely trusted. There, a railroad hub had been built where, on July 30, 1916, some two million tons of war materials were ready for shipment overseas.

10 best mythological tales from around the world

Let us explore 10 mythological stories from around the world to appreciate how different people have tried to make sense of the world. Smaller farms actually lost money farming and earned 109 percent of their household income from off-farm sources.

Ten Tragic Tales From NYC's Small Islands

Horse-drawn carriages permeated the streets; by 1900, some 200,000 horses lived in NYC — and are, in fact, a big reason many residences have staircases leading up to the front door. A businessman once advised me never to admit my business was struggling. By the 1950s, Renwick Hospital had become useless and was abandoned by the city, quickly falling into disrepair.
