7 Magical Old Stone Houses for Sale

During the 1920s, aviation pioneer Glenn Curtiss and his partner James Bright introduced their own version of Pueblo Revival architecture to Florida. Greek Revival architecture began with public buildings in Philadelphia.

Architectural Styles, American Homes From 1600 to Today

If you liked the we featured last week in Princeton, NJ, you're going to love these seven additional historical stone homes for sale.

An Authentic German Stone House

When it was built in the early 1700s, the González-Alvarez House probably had one story and a flat roof. Eventually, they quarried the abundant limestone around them to build strong rock houses.

14,000 Square Foot Contemporary Style New Build In Franklin, Tennessee

The word château is an Old French word from the Latin castellum, or castle. Shingle Photo by David Carmack Dates: 1880 to 1900 Features: Exterior walls and roofs of wood shingles; asymmetrical house shape, often organic to the landscape around it; large porches; intersecting roofs of different shapes, including gambrel.

Architectural Styles, American Homes From 1600 to Today

You'll have casually talked about someone talking about boat building plans but tossed the idea apart.

Historic Stone Houses for Sale

The three-story stone building shown here was built during this time for banker Wilbur S. Advances in paint technology introduced vibrant new colors to this American house style.
