Upanishadic Philosophy

Upon meditating on the nature of the passage of time and on the nature of causality, the practitioner of this ancient way wants to understand karmic energy so that it can eventually be overcome.

Phenomenology (Stanford Encyclopedia of Philosophy)

Buddhist view of salvation is rather anachronistic and it's rather unclear on the means of attaining salvation.

Phenomenological Research

The aesthetic experience of visual art has traditionally been described in terms of the distanced contemplation and critical interpretation of the work's form and representational content. During These Times of Stress and Uncertainty Your Doshas May Be Unbalanced. And I gifted my sister with one of the orders.

Upanishad

Segundo Singleton, a primeira ocorrência do termo yoga aparece no Katha Upanishad, aproximadamente no século III a.

How phenomenology can help us learn from the experiences of others

Categories: Experience Philosophical reflection on Cézanne reveals a remarkable affinity between his art and phenomenology, and an analysis of his still lifes offers a unique way of introducing students to the phenomenological theory of perception. Possibly, two more powerful arguments sneak into the scene namely the Sāṃkhya and the Buddhist.
