### Visiting The Lake District

If you venture out on a walk around the perimeter of Grasmere, you should be able to spot Grasmere Island, a wildlife haven covered in trees and that was recently gifted to the National Trust after 100 years in private ownership.

### Plan your visit and be Lake District Kind : Lake District National Park

Scafell Pike, stands 978 metres above sea level, making it the highest mountain in England and the third highest in the UK behind Snowdon and Ben Nevis.

### Welcome to the Lake District, Cumbria

Respect access for farmers and locals.

### A Guide to the Lake District lakes

It makes for a great holiday or weekend away! We also provide information on days out which can be located at the top of our website so if you're looking for something fun, or even just a relaxed day out then please do look at what we have to offer! Are you looking at a holiday in The Lake District and need some convincing? For those wanting to visit and enjoy all that the Lake District has to offer, TheLakeDistrict. Ennerdale Water - 3 square kilometres Quite possibly the quietest lake in the whole of the Lake District, Ennerdale Water is the place to head to if you want to get away from it all.

### Visiting The Lake District

This lake is also a true wildlife haven with a major regeneration project having taken place to ensure the environment was brought up to a good quality, protecting the rare vendace fish and ospreys who reside here. Annual Events in the Lake District There are events taking place in the Lake District year-round, including beer festivals, food festivals, music festival, agricultural shows, as well as seasonal events.

### A Guide to the Lake District lakes

No matter how you want to enjoy the area, you can , , and here to your heart's content! Look after the places you love to visit, t From stone circles and working bobbin mills, to stately homes with lakeshore gardens, the Lake District has a rich history as a working and inspiring landscape. From re-usable water bottles and coffee cups, to bags, t-shirts and even Lake District Monopoly, its a great way to take a bit of the Lake District with you everywhere. This is the cheapest way to travel to the Lake District from London so if you are on a budget this may appeal.

### **Lake District Tourist Guide**

Come prepared to climb ours.

### **Welcome to the Lake District, Cumbria**

The Derwentwater Walk runs for 10 miles and offers up flat and easy paths that encircle the lake so anyone can make the most of the astonishing sights of the area. The northern shore happens to be home to a particularly photogenic tree, the most photographed in all of the Lakes, a spindly birch that somehow survives in this wild environment. We include information about where to park, nearby facilities, and walking trails around each body of water.
