The replication of the original act of murder in the form of capital punishment is philosophically and ethically problematic. The Bali bombing easily excites emotions of course, especially the lack of repentance expressed by its perpetrators. Ye have indeed wronged yourselves by your worship of the calf so turn in repentance to your Maker and slay yourselves the wrong-doers ; that will be better for you in the sight of your Maker.

Conservatism and Radicalism in Islam

He is also a member of Pemuda Muhammadiyah. Yet we all knew that the man was a radically contingent factor who placed himself outside the equation of Islamic social dialectics and represented something far more extreme and radical that most of us would care to admit.
