## An Intermediate and Advanced Role

With over 7 years of teaching experience to students worldwide, he enjoys the many aspects of culture and traditions different from his own.

## ESL Discussion Activity for Advanced Students

The students read a partner's work and then summarise it as part of a group discussion.

## Valentine's Day

If you have done lesson 2 for this unit and gave out the homework, there are a couple of ways that you could review the homework in the classroom. However, it may be within their schema to imagine they have been asked to help an English speaker who is visiting their own country.

## Tips for Using Role

It's much easier to teach vocabulary, lines, and the dramatic elements needed for a role play situation than to teach the elements of an entire play. Usually, the likes of filing a complaint will not really be of interest to children. You like handmade, eco-friendly products.

## 4 Practical Role Play Activities for Your Eager ESL Students

. Teach the Dialogs for Role Plays The teacher needs to teach the vocabulary, sentences, and dialogs necessary for the role play situations. This creates confusion in a fun way, and will later lead to a game based on points.

## ESL Discussion Activity for Advanced Students

I put together my favorite role-play scenarios and speaking activities which I used in the classroom and can be easily used on Zoom. Give the students as long as they need to try and reach a resolution to the problem, swapping the roles as many times as you like.
