Definiteness in Bulgarian: Modelling the Processes of Language Change by Olga M. Mladenova, Hardcover

. The inclusion of indexicality leads to fine-grained analysis in morphology, word order, and constructional syntax. Further, the technical accomplishments of modern Bulgarian film are of a high standard; gone are the old days during which sound engineering seems to have been an art not only lost but which appears never to have been found; the cinematography on display gives cause of concern that Hollywood may swoop and commit a few alien abductions of Bulgaria's camera people.
