Chaco Canyon: Archaeology and Archaeologists by Robert H. Lister

New Mexico Business Review 4 4 :202-209. North American Archaeologist 10: 39—53.

A History of Cacao in West Mexico: Implications for Mesoamerica and U.S. Southwest Connections

They describe the cultural affiliation and spatial and temporal distribution of survey lithic materials, investigate patterns of local and exotic raw material procurement, and examine patterns of technological and functional variability in lithic assemblages. The first four are contiguous, joining the monument at its previous boundaries.
