## House of Stuart

He thus planned to have a foot in both camps and be able to broker peaceful settlements. This period saw the first professional female playwright.

## The later Stuarts (1944 edition)

So the state was not just what happened at the centre, but it also permeated through local social networks in which the discourses that occurred were not always the result of the traditional tension of centre vs.

## Faction in Later Stuart England, 1660

These were elements that remained throughout the period caught in a 'repeated exercise in compromise, co-operation, co-optation and resistance'. In 1735 Parliament no longer believed that witchcraft was real—despite the efforts of, the Scottish Lord who made a fool of himself speaking in opposition.

## The later Stuarts, 1660

A concluding section examines the difficult relationships and creative tensions between the established Church in England, Protestant dissenters, and Roman Catholics. Lennox was a descendant of, also descended from, being Mary's.
