**Current Upwellings in the Scuba Diving World:2003/07/29**

Sierra Club Books, San Francisco.

## Oil Spill on FaceBook: Social Networking Between Species

While many of the essays are amateurishly written, or somewhat treacly in their New Age world view one writer brags of playing live reggae music to a pod of beluga whales in the Arctic, punctuated with Tibetan gongs , the collection presents an important group of voices in the world community of dolphin lovers, perhaps providing a step towards more sophisticated writings in the future. Impacts of human interaction on odontocetes: A review and assessment.

## Between Species: Celebrating the Dolphin

Pages 78-84 in *Intimate Nature : The Bond Between Women and Animals* B. As a scientist, she worked as Research Director for the Ocean Mammal Institute on such projects as the effect of vessel traffic on endangered humpback whales off Maui, Hawaii and the effects of human interaction on the Hawaiian Spinner Dolphin in their resting bays on the Big Island of Hawaii. Her writing about her work with dolphins was published in an anthology for Sierra Club Books entitled *Between Species: Celebrating the Dolphin-Human Bond*.

## The Cove: Filming and Thinking though the Dolphin

So, it is with an already heavy heart, I begin Part Two: Dark Side. *Aquatic Mammals* 21 2 : 149-153.

## Between species : celebrating the dolphin

The owner owns an Australian vineyard, so fine wines flows freely! Page 76-77 in Abstracts from the 14th Biennial Conference on the Biology of Marine Mammals, Vancouver, B.

**Nonfiction Book Review: *Between Species: Celebrating the Dolphin***

Poster presented at the Proceedings of the 12th International Conference of the American Cetacean Society, November 12-14, Monterey. At every turn, scientists encounter millennial-old, romanticized notions about iconic dolphins teaming with logistical challenges and plodding methodologies struggling to keep pace with, and identify, even a singular, solid thread running through an intricate web of data. Page 36 in Proceedings from the 7th International Conference of the American Cetacean Society, Monterey, California, 17-19 November 2000.
