Nicky Chubb

He is self-employed and available as an artists' model in the London area for figure and portrait life drawing and painting. Based in North London, most of his previous appointments have been relatively close distance.

RAM

He drives, and can easily get to any venue in and around Sussex. After a brief service in the Navy, Freud became an artist and studied under Cedric Morris.

Printfreak: Artists

Her practice experiments with the materiality of the photographic surface.

RAM

Her subjects' assertive stares suggest that her paintings aren't actually about them, but the viewer's own reaction to their perverse circumstance.

Printfreak: Artists

The studios and workshops of Thomas Ross have a long history of producing some of the worlds finest hand crafted etchings and engraved prints. Rolf Harris, Doug Hyde, Fabian Perez, Sherree Valentine Daines, Rebecca Lardner, Henderson Cisz, plus mor I spent much of my early childhood in Germany and Africa - where I read every book on my parents' shelves, became fascinated by the patterns on everyday objects, and learned to make lino-cuts. Inscribed on their feathers is critical information and coding, which passes between the lovers with much difficulty and effort.

Sculpture courses Kent

She has a few tattoos and when not modelling loves attending a life drawing session.
