Parliament of India

However, people in the permanent executive are technically more knowledgeable and capable compared to those in the political executive. The parliamentary law of the House of Representatives derives from the Constitution and rules adopted pursuant to Article I, section five of the Constitution.

Model Parliament

In other words, the Constitution is the highest law of the land and everyone must act according to its provisions and principles, even Parliament. The vision incorporates the additional element of an activist Parliament to broaden the intended impact on society so that equality can be achieved. The Lok Sabha controls the Council of Ministers.

Parliament

Model Parliament, called by King of in 1295 that is widely regarded as the first representative parliament. Since the Lok Sabha has more members than the Rajya Sabha, so the view of the Lok Sabha is likely to prevail during a joint session.

Model Parliament

As in the early Witan, these barons were not elected, but rather selected and appointed by the king.

Our Parliament

Some states, such as , have a which falls between parliamentary and congressional systems, combining a powerful head of state president with a head of government, the prime minister, who is responsible to parliament. Parliaments have some control over those who run the government.
