## THE PERSONAL HISTORY OF DAVID COPPERFIELD

As often in Dickens where a satellite of the main character reproduces the course in parallel, the story of the Strong couple develops in counterpoint that of David and Dora. Micawber and his slightly daffy but loving Aunt Betsey, his life-long rivalry with the bitter and duplicitous Uriah Heep, and of course his many romantic dalliances.

There is also a contrast drawn between ever-frozen personalities such as Micawber, Dora, Rosa Dartle, and those who evolve. Her brother, fisherman, lives in a house built in an upturned boat on the beach, with his adopted relatives Emily and, and an elderly widow, Mrs Gummidge. Benedict Wong co-stars as the overseer of the Copperfield estate.

### David Copperfield

From birth to infancy, from adolescence to adulthood, the good-hearted David Copperfield is surrounded by kindness, wickedness, poverty and wealth, as he meets an array of remarkable characters in Victorian England. Mr Peggotty is the anti-Murdstone par excellence, but his influence is rather marginal on David, as his absolute excellence, like the maternal perfection embodied by his sister Peggotty, makes him a character type more than an individual to refer to. Shortly after David returns to Salem House, his mother and her baby die, and David returns home immediately.

Also, Rosa Dartle's irreducible and angry marginality represents a mysterious threat to his comfortable and reassuring domestic ideology.

## **THE PERSONAL HISTORY OF DAVID COPPERFIELD**

The Doctor is 62 when David meets him, and married about a year to Annie, considerably younger than her husband. Based on the 1973 feature film directorial debut by Michael Crichton. I was quite relieved to find that it was only Brooks of Sheffield, for, at first, I really thought it was I.
