**SHR 1,1904**

When no one was looking, he threw it into the water. In the velvet glove of European sentiment, there were some iron messages. That peril, always existing, became manifest, as we shall find, at the time of the Queen's marriage with Damley, when the power of the Protestant leaders, both lay and clerical, was for a time paralysed: and this temporary paralysis, which, but for Mary's own folly, might have been permanent, justified Knox in his attitude of persistent and unbending opposition to the Queen.
