Home & Design Magazine

Spray compressed air into crevices. Once they've warmed up, wipe with a mixture of 2 tablespoons baking soda and a quart of hot water. Sweep, vacuum and mop floors.

Home & Design Magazine

Wipe away from ventilation areas so you don't push dust back in. Wash mirrors and the insides of windows.

What House Beautiful Magazine Looked Like The Year You Were Born

The point was to enhance the interiors. Pictured: Columns demarcate the mirrored dining area, balanced and highlighted by a pair of late-19th-century Egyptian-motif faïence vases. Gothic Revival chairs surround a table dressed in silk taffeta, topped with orchids, candlelit centerpieces and white china with gold trim.

Cher's Homes

It was one that the designer could not fight or upstage or change in any significant way.

Timber Home Living: Timber Frame Homes, Home Floor Plans, Photos & Building Advice

A contemporary stone-and-glass sculpture stands sentry at the top of the staircase that leads to the dining area.

What House Beautiful Magazine Looked Like The Year You Were Born

Empty the contents, store them in a cooler, turn off the fridge, and let the shelves and drawers come to room temperature before you wash them, since glass and ceramic parts could crack if they come into contact with hot water when they are cold. Vacuum and wipe walls and ceilings. Donna

Smallin, author of , prefers an extendable duster with a microfiber head that bends to a 90-degree angle so she doesn't have to get on a ladder.
