Al Arba'in Al Nawawi: Hadith 1 of 40

He was loved by all those that came into contact with him. Bahkan kadang keberadaannya justru memperkeruh suasana dan merusak tatanan masyarakat. But if they said I meant to it means something else — So the intention is what creates the action itself and what brings its reward or punishment and the intention has an extraordinary reach — Prophet Muhammad SAW said the intention of a believer goes farther than his action does,

The one brother was coming down the ladder in the loft and the other brother was coming up and they slipped coming to each other, both fell and died. Towards the end of his life, illness confined him to his house but did not prevent him from receiving numerous visitors. So the angels take him to the fire.
