**Conduire le changement by John P. Kotter**

Quels sont les facteurs à approfondir?  
Instaurer un sentiment d'urgence 04.

**Management et conduite du changement : enjeux et outils**

Comment éviter les angoisses et dépasser les blocages au moment d'évoluer? It must be created, formulated to be realistic, and attainable. Due to the state of our current global culture and the need for change in cross-cultural communications, this book is a tool that could lead nations to healthy change management processes.

**Conduire le changement**

Ces revers sont en grande partie le résultat d'une direction inefficace. Leading Change is very thorough and simple to understand. Oxford: Blackwell, 1963, 264 p.

Conduire le changement

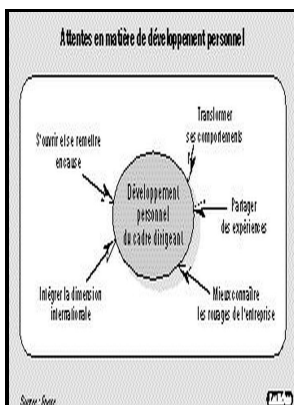

Notes: Includes bibliographical references.

This edition was published in 1975

This is the same stuff taught in the Engineering Management graduate courses. To be able to survive and thrive in an environment that appears to be more dynamic each year, companies will need to be able to institute sweeping change from time to time, and incremental but substantive change almost constantly. Car vous demandez à chacun de prendre des mesures dont il n'est pas l'auteur.

### Conduite du changement : les secrets pour réussir votre changement

Si cette phase est ignorée, le projet peut rapidement échouer avec un retour à l'ancienne situation. I recommend the book over the audio presentation, as it is a bit deep for the audio presentation and contains a lot of lists which are better understood and retained through visual reading. Either way, it made for slow progress.
