. The songs of the Russian people, as illustrative of Slavonic mythology and Russian social life. The usual plot involves a magical bird-maiden that descends from heavens to bathe in a lake.

Радуга над Брайтоном:

Celá řada je založena na lingvodidaktické koncepci, jejímž podstatným rysem je integrované využití hodnotných výsledků dosavadního mnohostranného vývoje didaktiky cizích jazyků s důrazem na její nejnovější úroveň. Я от этого сбежал из России, зачем же мне добровольно в этот омут снова лезть? Диме довелось работать в магазине на Кингс-Хайвей, где большая часть клиентов была выходцами из стран СНГ. In a poem, there appears the character of The Swan-Women, who develops an inimical relationship with hero Kartaga.
