Linda Simon, Fiction Refracts Science: Modernist Writers from Proust to Borges

It is Grete, after all, with whom the metamorphosed Gregor has any rapport, suggesting the Kafka intended to lend at least some significance to their relationship.

Vol. 97, No. 2, June 2006 of Isis on JSTOR

It is very telling that this supposedly doctrinaire materialist book never mentions evolutionary theory, neither in connection with Mach nor in other contexts.

Criticism in English

The book is dedicated to the memory of Malcolm Bowie 1943-2007, whose keynote address was one of his last major lectures.

Fiction Refracts Science: Modernist Writers from Proust to Borges by Allen Thiher

No aspect of modernist literature has attracted more passionate defenses, or more furious denunciations, than its affinity for the idea of autonomy.

Fiction Rivals Science: The French Novel from Balzac to Proust

Marquez uses a soon to be married couple, Florentino and Fermina.

Fiction Refracts Science: Modernist Writers from Proust to Borges by Allen Thiher

Every place he ends up in, he breaks a heart. Thus in principle Mach claims a dual biological anchorage for the mental: not only a short range physiological, but a long range evolutionary account as well Mayr, 1982. The logical structure of his argumentation is rather interesting even for present day cognitive studies.
