## Scholars in Action

Das Palmier-Buch ist voll von Zitaten aus Benjamins Texten, um dem Biographierten besonders nah zu bleiben. Because yesterday, criticism was subservient to art, tomorrow, art will be subservient to criticism; because the music of the past was tonal, the music of the future must, necessarily, exile the tonal, and seek the atonal, or an alternative praxis: the dodecaphony of Arnold Schoenberg, with whom Adorno had a lifelong rivalry.

## Phraseological Substitutions in Newspaper Headlines: “More than Meats the Eye”

As in public libraries these scores are open for examination if you stop by at my archive.

## Spinner

World and ego : an essay on the phenomenological psychology of seeing Author.

## 20th century violin concertante

In: Införadio RBB, Sendung: Babylon vom 06. Tatsächlich habe er es 1952 geschrieben, vier Jahre vor der Uraufführung.
