Tartan had largely been abandoned by the ordinary people of the region, but in the 1820s, tartan and the were adopted by members of the social elite, not just in Scotland, but across Europe. Highlands and Islands has, however, different meanings in different contexts. Intrigued by her plight, Anthony offers her son a place at his school, betting with a colleague he can change the tear away boy into a respectable public schoolboy.

## Scottish Highlands

You will find that much of the Scottish culture and traditions are saved in the many festivals that are held annually, all over the country and all year round and perhaps especially during. It was quietened when the government stepped in, passing the to reduce rents, guarantee fixity of tenure, and break up large estates to provide crofts for the homeless.
