The artworks offer proof of up-to-the-minute taste and have a perfect showcase in the reclaimed lofts or gentrified houses in which so many upper-middle-class urbanites now live. With 15 spaces around the world Larry Gagosian is the undisputed master of the gallery world.

The Changing Face of Creativity in New York: Sustaining NYC's Immigrant Arts Ecosystem

The dynamism of this sector is even more evident over the longer term, with an increase in employment of 60% from 1995 versus less than half that rate 24% across all US industries. Families value small art towns because they place a high priority on neighborliness and security.

The NYC Art Market Report

In keeping with the hostile trend in art spaces, benches and other seating are sparse. The New York collectors surveyed were generally less engaged online than some of their global counterparts, and 26% had never made a purchase on an online platform. While some of the homes and studios featured are open to the public, others have never been seen before.

The Art Newspaper

Read guides and features, and get the best opportunities from the art world. In fact, initially she regarded Basquiat with caution, she says, vaguely repelled by all the fuss.
