### BO1187 U.S. Single Action Cartridge Handgun Holster, 1870

Covers holsters which carried the Colt cal.

### BO1187 U.S. Single Action Cartridge Handgun Holster, 1870

Mc Pheeters Antique Militaria U. Describes the evolution of the holster used in the Army for the period 1870-1910 and comments on its variations.

#### Mc Pheeters Antique Militaria

This 52 page paperback covers all of the primary models of regulation holsters issued to the troops as well as many of the experimental and modified holsters developed during this period. The holsters are well described with historical notes and references, features, special fittings, and markings, and each model is shown with detailed photographs.

#### handgun cartridge

. This ex-libris soft bound copy is in very good condition, showing very little signs of use or wear, and no damage.
