9 Quarters

Maybe hops will be the new one. His body was disinterred from its' Fort Presque Isle grave, and his bones had the flesh boiled off them and then were buried in different spots around the state. The rest of the site is still rented out, with the Hundred Acres haunted house being its' prime draw.

9 Quarters

Apparently a lot of farmers who had been growing barley or wheat are switching to corn in response to the demand for corn for ethanol fuel production. Pretty soon they'll have to stop counting individual pollen grains in a cubic meter of air and just go straight to giving us the count in inches on the ground. This was found on a Ghost Village forum.

All The Good Names Were Taken: April 2008

In the , the RM of Happy Valley No. The mockingbirds, cardinals, robins, and a wide variety of LBBs seem perfectly happy with the tree.

RM of Happy Valley No 10 Real Estate

The Atlanta Journal Constitution has an article today with a headline guaranteed to catch the reader's eye: Police questioned a group of Georgia third-graders suspected in a plot to kill their teacher at Center Elementary School in Waycross, apparently because she had scolded one of them for standing on a chair, a Florida newspaper reported. Tactically, this may help her in Pennsylvania, but it's a truly stupid thing to do long term. SUBWAY SHOP Canonsburg, Washington County This sandwich shop was supposedly built over the site of an old nursing home.
