## Latin American and Iberian pamphlets. I, 1802

With a focus on communities in the Caribbean, Brazil, India, United Kingdom, and France, the collection includes primary source documents, including personal papers, organizational papers, journals, newsletters, court documents, letters, and ephemera. The Department of Latin American and Iberian Cultures LAIC at Columbia University in the City of New York fosters a deep understanding of the multiple languages, histories, and cultures of Latin America and the Iberian Peninsula. .

## Home

Latin American eco-cultural production, understood in a broad and sweeping sense, reaches new audiences through books forthcoming in fall of 2020. The LAIS collections benefit from the myriad of e-book packages, electronic journal bundles, and electronic reference sources acquired for the general collection. Many of the manuscripts and imprints are of an official or religious nature, such as the reales cédulas and ordenes de la corona, Inquisition documents, genealogical records, various account books, records of local government e.

## Iberian and Latin American Studies

LAIS 450 Advanced Topics in Latin American and Iberian Studies An investigation of selected topics for more advanced students based on faculty and student interests. Este periplo nos ayudará, espero, a comprender las razones, muchas de ellas coyunturales, que propiciaron que América pasase de ser una presencia casi omnipresente en los inicios de la institución a devenir casi una ausencia. The co-authors wish to thank the ASLE members who shared their words and publications with us; managing director Amy McIntyre for helping in contacting them; and Christy Tidwell for her support of this piece.

## Books: 'Iberian and Latin American'

LAIS 260 Intermediate Directed Study Student investigation of topic of interest working in collaboration with a faculty member resulting in significant oral and written work.

## **Iberian and Latin American Studies**

Boeckmann II and his wife, Jane Boeckmann and encouragement from faculty with related instructional and research interests.
